

THE DIRECTOR OF
CENTRAL INTELLIGENCE

Deputy Director for National Foreign Assessment

12 February 1981

NOTE FOR: Chairman, JAEIC

Exec Sec, JAEIC
SUBJECT: Proposed Agenda Item for
March NIP Meeting

I suggest that the NIP be briefed on the major findings and conclusions of the Community's work on foreign reactions to US nonproliferation policies. [REDACTED] OPA, should be available for this purpose. The briefing would surely be of high interest to the NIPers all of whom, to one degree or another, will be looking for signs concerning the future direction of US policy. (I may be able to provide some particulars on the latter depending upon the outcome of a meeting I am planning with [REDACTED])
